THE FSU ADVANTAGE

EXPLORE ENDLESS POSSIBILITIES & BE TRANSFORMED

ABOUT US

The FS Education Group was established in the year 2003 with an aim to provide cost effective quality education to the society. Since last two decades it has emerged as a pioneer in Uttar Pradesh for higher education. The main objective of the FS University is to provide quality education and conducive atmosphere for students pursuing higher education.

The programs being offered by the FSU are approved and recognized by the regulatory authorities. FSU has prestigious national and international recognitions and accreditations to its name which testify its adherence to global standards. FSU bagged various prestigious awards such as 'Most Emerging and Promising University 2021', 'Fastest Growing University in Uttar Pradesh 2022', 'Excellence in Teaching Award 2022' and 'Impactful University of the Year 2022', 'Agra Shri Samman for Excellence in Education 2023' to name a few.

FSU is focused on pursuing and strengthening its relationship with the industry. The goal is to groom the

students into industry ready professionals by giving them an extra edge with the knowledge of cutting-edge technologies, trainings on the latest market trends and imbining them with rich human values to make them socially responsive.

Distinguished academicians of FS University comprise of leading professionals from corporate world, academicians, researchers, and scientists who have authored various books, developed numerous case studies, and published quality research papers. FSU has its research collaboration and MOUs with various National and International Organisations. FSU is the leading education group of Uttar Pradesh with over 10,000 students studying across 100 acres of hi-tech campus.

At FS University we are passionate about grooming leaders who are not only thorough professionals but also good human beings with values and Sanskar. At FSU, we benchmark only against the best institutions around the world.

RECOGNITION & ACCREDITATION

Collaborations and MOUs

Smart Classrooms

FS University provides a professional, competent and expert faculty to inculcate curiosity among students. Our faculty members with rich academic and industrial experience act as mentors for the fulfilment of student aspiration. The University has a modern infrastructure and technological support for teaching, learning and personality development of students. The university provides well furnished lecture halls giving the future managers and technocrats a focused arena to develop their personalities. Latest audio visual aids and multimedia technology enables the faculty to have interactive sessions of teaching which proliferate confidence and enthusiasm among the students.

Lecture Hall

Classroom learning is primarily meant for theoretical and conceptual inputs with real life case studies, group learning and live projects. The lecture halls are well-equipped to enhance the learning process in most effective manner.

Transport

Transport facility is provided to the students, faculties and staffs. The University has its own fleet of buses which not only take care of daily transportation, but also used for students outings like entertainment and study tours, industrial visits etc.

Cafeteria

Well-designed and facilitated cafeteria, which is situated inside the campus. Students hangout to relax and re-energize themselves and cafeteria is well equipped to provide all type of food to satisfy your taste buds.

Library

'The Ocean of Knowledge', library is the heart of an Institute. FS University possesses a fully automated ERP based well stocked library. The library is the repository of knowledge, experience and observation. It provides access to a large spectrum of text and reference book bank of Indian and foreign authors.
